Successfully complete a Kingdom Life Academy course to earn a Certificate of Course Completion.

CLASS DESCRIPTIONS

The Anatomy of Worship

The Body of Christ needs more than a song and a team of singers. Discover the anatomy of worship through sound biblical theology, proven practices, and experienced mentorship with one of the leading psalmists of the nation.

Instructor: **Tonya Baker**

Chart Your Course: How to Start an Educational Program or School

Master the foundational structure for developing your own educational program! Define your vision, mission and core values. Determine your school needs including funding, human capital and educational laws. Learn how to prepare Requests for Proposals (RFPs) and launch your school with success.

Instructor: **Diedre Coleman**

Cultivating a Culture of Worship

Receive biblical, revelatory knowledge that will give strategies for cultivating true worship in the lives of the believers and equip the worshipper to live a life that will impact others. Discover the essence of true worship as a lifestyle of the believer. Gain an understanding and experience the process and fruit of a Presence-based life. Learn strategies for cultivating a culture of worship and safe places of transformation. Engage and lead others into deeper levels of communion with God.

Instructor: **Psalmist Raine**

Dance Theology & Technique

Fundamentals of dance theology and movement ministry. Engage in rich dialogue with peers, fellow leaders, and others who have been called, anointed, set apart for such a time as this. Explore the practical needs for effective ministry including body conditioning, pageantry, praise garments, and choreography for evangelism and outreach initiatives.

Instructor: **Eyesha Marable**

Dynamics of the Supernatural

This class is focused on personal transformation and practical hands-on training. You will encounter God and have a personal experience of transformation to establish wonderful character that can sustain a supernatural lifestyle. At the same time, you will learn how to do the supernatural works of Jesus in a very natural way. By the end of the class, you will experience healing the sick, prophesying, preaching and teaching, supernatural evangelism, encountering angels, ministering deliverance and confidence to know God in a new way.

Instructor: **Christopher Montgomery**

Eyes That See: Activating the Seer

We will cover an array of topics within the dynamics of a “SEER” – What is a seer? How does the seer gift work? How can I increase my gift? What do I do with what I see? How does my seeing bring increase to The Kingdom and more... we will dive into scripture, pull wisdom from mature seers and have plenty of opportunity to activate, engage and implement what is being revealed to us!

Instructor: **Spring Huemme**

Fashion Design

Clothes don't just cover you, they define you. They tell the world who you are and express your unique sense of style. Our Fashion Design class can help you start a career in an industry of global influences, trends, and markets. We'll help you build skills in traditional and computer-generated design and patternmaking as you begin to shape your future. It's a hands-on education designed to help you work through design challenges drawn from the real world.

Instructor: **Angelica Montgomery**

Fashion Marketing & Management

After styles have been sketched, developed and created, someone needs to draw consumers into boutiques and drive them to fashion websites. If you have the energy, passion, and tenacity to make that your mission, our Fashion Marketing & Management class is your starting point. Working with hardware and software used in the business world, you can learn about the business of fashion—from gaining key insights into consumer behavior to managing a retail operation to finding new ways to increase in-store and online traffic. It's about giving you the skills to compete in a fast-moving industry.

Instructor: **Angelica Montgomery**

Graphic Design – Modules 1 & 2

Graphic Design is designed to instruct students on the basic concepts of graphic design, visual communication mediums and various specialties within the design industry. This course develops design vocabulary and enhances creativity through hands-on learning with real world client interaction. Students will use industry-related technology and software to design projects in the following areas: Color & Design Fundamentals, Image Manipulation, Typography, Layout & Concept Design, Digital Illustration, and Presentation Techniques. Developing and completing these skills enables the student to produce portfolio quality projects and prepares them for advanced techniques in Module II.

Instructor: **Kevin Vain**

Creatives: Using Your Gift to Impact the World Around You

We have the opportunity to see world systems shift, for economies to change, and for governments to come in line with the Kingdom, when we create with Him in whatever realm of society He has called us. In this course we will strengthen and or discover our creative gifts and how we can use them to bring forth The Kingdom.

Instructor: **Caleb Brundidge**

MIME: Mime in Ministry Excellence

Mime in Ministry Excellence will enhance the mime ministry level to put God on display to the fullest through the effectiveness of Mime. Grasp a deeper level of mime excellence, facials, choreography, mime applications, garments, fundamentals, history, Bible scriptures and so much more.

Instructor: **Desiree Ross**

Mime: The Next Dimension

This first level of instruction introduces those new to mime ministry to the fundamentals of the art and ministry. Students gain a general understanding of what mime was in the past and what it is today and begin to learn the physical and dramatic skills that provide a strong foundation for mime work. Each month is coupled with a written homework assignment. This foundational class does have a test that **MUST** be passed in order to be accepted into the advanced class.

Instructor: **Christopher Montgomery**

Missions

This course is designed for pastors, leaders and laymen who want to explore and be active in the missions' field. We will examine both local and International missions. Participants will gain knowledge, insight and tools to go into the missions' field. There will also be an opportunity to travel and serve on a missionary assignment that will impact the world.

Instructor: **Dr. Gail Townes**

Moving Through the Scriptures™

Delve into a deeply revealing study of movement from Genesis to Revelation! Students will learn curriculum with the goal of becoming a certified instructor to present workshops, conferences, and trainings for movement studies. No paper writing required! Master the word and impact the masses.

Instructor: **Rekesha Pittman**

Of Course, You Can! Creating Online Platforms for Schools, Membership Programs, and Orgs.

Ready to launch an online training program? Building a network with monthly or annual memberships? Desire to manage an organization with global reach? **OF COURSE, YOU CAN!** At the end of this course, the goal is to have an online platform that is ready for students, members, or for managing your global organization. Students will examine and implement: Branding, online portals, lead magnet creation, building influence, marketing strategies, and payment processors.

Instructor: **Rekesha Pittman**

Power Couples

This course will pull the covers off the fantasy of "happily ever after" and deal with the realities of choosing to live together in the covenant of marriage; effectively working towards your "happily ever-after" together. We are determined to build strong F.A.M.I.L.Y.'s who will represent God well through their marriage. I. Project Together - Till Death Do Us Part II. You, Me & God III. Expectations IV. Submitting to One Another V. Love is/Love is Not VI. Dealing with Conflict VII. Finances, Investing, Insurance VIII. Facing Reality IX. HIS/HER Strengths/Weaknesses X. Thresholds of Tolerance XI. Two Becoming One.

Instructors: **Royal & Kimberly McClinton**

The Power and Prayer of Intercession

Times of engaging together in prayer and intercession as well as teachings on the power of activating the word, praise, decrees, prophecy and our authority in the area of prayer and intercession.

Instructor: **Spring Huemme**

Prophetic 101

The purpose of this class is to train students to become properly prepared to be able to hear the voice of the Lord, and also to know what the Lord expects in terms of character from those He would regularly use to speak on His behalf. This class will start at a most basic level and progressively move to more involved levels of the prophetic. The teaching material and practice sessions (called activations) will improve a person's devotional life by helping us listen to the Holy Spirit more effectively. In more gifted individuals, the activations have the potential to reveal a true prophetic gift and ability to "flow" in the prophetic.

Instructor: **Christopher Montgomery**

Raising Your Standard Through the Ministry of Flags

How can I raise my personal standard? This in-depth study will cover the biblical and academic studies of flags, banners, streamers, colors, types of movement, and practical applications. Prepare to experience a wave of glory and a fresh approach to the ministry of flags.

Instructor: **Lisa Ann Johnson**

Songwriting

Have you been searching for an opportunity to bring the songs God placed in your heart to life? Look no further. This class is designed to refine the songwriter in you. Whether you hear the entire orchestration or just a simple melody, this class is for you. By the end of the course, you will have a finished professional song. Learn different writing styles, how to define your sound, how to publish and copyright your music, and much more! Don't let that song remain hidden. It's time for the songwriter to come forth!

Instructor: **Matthew Pittman**

Take Your Best Shot

See Kingdom life through new lenses! Prepare your ministry, church or team to produce dynamic visuals through video, film, and moving imagery with excellence. Biblical foundation, practical principles, and modern techniques will be presented. Prepare to take your best shot!

Instructor: **Alicia Redmond**

Theological Studies

Really? Who is God? Who do you say that He is? If you want a deeper understanding about God, beyond a traditional Bible study, this class is for you. If you have said to yourself, there must be more, this class is for you. This course is designed for Pastors, leaders and laymen who want to explore who God is. Start with a foundation of biblical truths, then study Christ, Holy Spirit and Salvation. Participants will be empowered with practical insight to be mobilized in their own personal growth and to mobilize others.

Instructor: **Dr. Gail Townes**

Trailblazers

This class is designed for Apostles, Prophets, Pastors, Teachers, Evangelists, Ministers, and other leaders. This class will challenge them to engage in new paradigms, practices, methods, and church planting that will perpetuate immense success. They will be taught on best practices for ministry, leadership, and kingdom advancement that will continuously keep them on the cutting edge of our societies, cultures, and the kingdom of God.

Instructor: **Christopher Montgomery**

REGISTRATION DEADLINE

Semester begins August 7, 2018. Last day to register is August 15, 2018. Enrollments are processed online.
